

Dear God

It's Not Enough

That I was the first born daughter of an immigrant father who ended up in Calgary where there is no ocean!

It's Not Enough

That you sent me an immigrant from Naples Italy, for a husband; who I'm always & forever learning how to communicate with.

It's Not Enough

That I stayed home and sacrificed my youth while raising my family & serving my husband.

It's Not Enough

That you pushed me out of my comfort zone when I wanted to own my own business thinking it would make me happy when the kids started leaving.

It's Not Enough

That the business you sent me was in the Multi Level Marketing Industry.

**I had no idea you were up to something good,
that you were going to change me from the inside-out!!**

It's Not Enough

That I had one hell of an experience in that business as you taught me how to communicate with myself and others, that the business fell apart. Just when I thought it would be good for me to get out of your way.

It's Not Enough

That I wrote a book about that experience as I sat in anger & resentment, trying to find something to be thankful for; now you throw me yet another challenge. It's UP2ME to promote that book, Thank You MLM, and once again, step out of my comfort zone!

Couldn't you have come up with an easier title like,
Thank You Dorothy, or Thank You God?

Please God ~ Enough is Enough
